

To Whom It May Concern:

It's my pleasure to provide this letter of recommendation for Sanela Milosevic as she seeks a position within your organization.

As the Senior Director of Onboard Media, I've worked closely with Sanela over the past three years. During her time as an Independent Contractor for Sales and Marketing Promotions with Onboard Media, Sanela was a consummate professional and excelled in every area of her job. On a personal level she's charismatic and well-spoken, both qualities that have served her well in this role.

I speak for the entire Executive team at Onboard Media when I say that we are incredibly sad to see such valuable talent go, but our loss is truly your gain. Sanela is driven, self-confident, proactively helpful and has the combination of business acumen and communication skills that makes her an outstanding sales and marketing professional.

Sanela is always eager to lend a helping hand with her teammates and consistently contributed during brainstorming sessions and meetings between our sales and marketing teams.

In closing, I'd like to restate my strong support for Sanela's application. I'm confident that she will surpass your expectations in this role.
